GETTING TOGETHER--THE PERSONAL TOUCH

Dear Client,

In our technology "age", we often allow technology to take over, losing some of the personal "touch" aspects of working together. In short, emails and telephone calls (blogs, twitters and face-book too) are efficient means of communication- even skype -but let's also meet, talk one-on-one and exchange smiles and thoughts. And there's no time like the present!

So we invite you to come in for a coffee/tea/water and a chat.....to discuss and review business and finance matters, tax planning for 2011 and beyond, and any other matters pertinent to you and with which we can assist. (This paragraph is a repeat.....because it's really important!)

In the meantime, give thought to:

- Structuring—entity: corporate? self-employed? partnership? foreign? branch? etc.
- Rethinking your business, investments and tax planning!
- Planning for 2012 on all fronts.

We look forward to seeing you shortly!

Warm Regards,

Jeff & The "Team"
